GLOBAL MONEY WEEK

Build your future: be smart about money

In light of celebrating the annual “Global Money Week”, between March 21 and 25, 2022, the Banco de Moçambique (BM) will be organizing various activities nationwide, and Beira city has been elected to host the main event.

This year’s theme will be “Build your future: be smart with your money”, alongside the slogan “Learn. Save. Earn.”, with the end goal of encouraging and empowering children and youth in financial management and entrepreneurship.

Several activities are planned for the main event, including financial education lectures, educational fairs and various contests, involving children and youth from 3 Beira city schools, and all is set to take place on Friday, March 25.

Learn. Save. Earn
