

XV SCIENTIFIC SEMINAR OF THE BANCO DE MOÇAMBIQUE

“Interaction between Monetary and Fiscal Policies”

June 14, 2024 | 8:00 a.m. | Joaquim Chissano Conference Center – Maputo

INVITATION

The Banco de Moçambique (BM) is pleased to invite the public to participate in the XV Scientific Seminar set to take place on June **14, 2024, from 08:00 a.m.** at the **Joaquim Chissano Conference Center in Maputo city.**

The keynote address will be delivered by Dr. Jean-Claude Kassi Brou, Governor of the Central Bank of West African States, and three scientific papers will be presented, which are now available on the BM's website at www.bancomoc.mz/en/media/scientific-seminar, namely:

- “Analysis of the interaction between fiscal and monetary policies in Mozambique: a game theory-based approach;”
- “Fiscal dominance and its impact on monetary policy: an analysis of the Mozambican economy (2017-2023);” and
- “Econophysical modeling of the interaction between monetary and fiscal policies in Mozambique: entropic bottlenecks to efficient and sustainable opportunities (optimal combination options).”

Interested parties may apply up to June 3, 2024, at jocibam_2024@bancomoc.mz by providing their full name, occupation/ activity sector, institution, and landline/mobile number. The Banco de Moçambique shall confirm participation by a reply email, while prioritizing the first 40 (forty) applications. Applications post June 3 will not be considered.

Maputo, May 27, 2024
